

Meet the Buyer Webinar Series

If you work in the rail industry and need to know the latest project developments, you need to attend the Australasian Railway Association (ARA) Meet the Buyer Webinar Series.

Make sure you are part of this member-only opportunity.

**REGISTER
NOW**

Our exclusive, member-only webinars provide the rare chance to hear directly from decision makers on major projects in the pipeline, including upcoming tenders and work packages. Hear how the onset of COVID-19 has changed priorities and, in some cases, created new work opportunities.

Each webinar in the series will feature major rail purchasers from transport departments, operators, major projects and tier 1 suppliers and contractors. They will provide an update on their forward plans, outline upcoming projects and tenders and discuss how they will be engaging suppliers.

This is a unique opportunity to gain new insights on project and procurement planning and ask questions about upcoming tenders before you start working on your bid.

Suppliers must be registered in order to attend.
