(ICC), Sydney

Nominate now

Infrastructure Project Excellence Award

Judged by the Rail Technical Society of Australasia (RTSA)

Sponsored by:

Nominees must provide evidence of excellence in one or more of the following criteria:

- Delivered a rail construction project that:
 - Demonstrated leadership or innovation in the sector;
 - Delivered efficiency or productivity improvements; or
 - Delivered new solutions to support the development of a sustainable, long term rail infrastructure network.
- Achieved positive customer or community stakeholder outcomes in the delivery of a rail project.
- Provided evidence of positive outcomes achieved as part of the project delivery.

Addressing the criteria

Nominating organisations must provide a statement to address the following, in line with the criteria.

1. Describe the project the organisation has implemented, and the outcomes it sought to achieve. *400-word limit.*
2. How has the project demonstrated excellence or innovation in the rail construction sector? *400-word limit.*
3. What approach was taken to support efficiency and sustainable outcomes as the project becomes operational? *400-word limit.*
4. What outcomes or new solutions did the project deliver? Please provide figures if possible and appropriate. *500-word limit.*
5. How has this project's delivery benefited the industry and the

- community it serves? *400-word limit.*
6. Why should your organisation receive the Infrastructure Project Excellence Award? *200-word limit.*
 7. Do you give permission for key points from your nomination, to be shared with the wider rail industry? See supporting documents item (b) below.
